

Hello everyone, my name is Sarah Anderson. I have been with our office for a little over 8 years and have been a public defender for nearly 15 years. I am currently assigned to the Felony Trial Division at 26<sup>th</sup> and California. I have previously been assigned to Civil, First Municipal, and I have worked more than a few Holiday Bond Courts. One of the reasons I came to this office was because I knew it had Union protection. I came from an office without a Union, and I know what can happen if we are not protected by the Union. My hope is to build on the progress we have made while I have been with this office. I would appreciate your vote. Thank you!
